

Day 4 last one so sad it's over!!

Your new National NSDCA board Don & Susan Wodford, Neal & Tricia Chartier, Dolly & John Ide, and Ruth & Ozzie Osborn

Cinda caught me doing the t-shirt crafts yesterday!! Neal wanted to know where I got the t-shirt I told him the drawer in the bus. I can't wait to this to most of my t-shirts. Most useful craft for me EVER!!!!

Brian Zirgler made a new friend thanks to Cinda for sending over

John & Dolly Ide and Linda & Ernie Ellis. The Ellis came all of the way from California. It's my understanding that they do this every year!!

Carolyn Dees painted the watermelons on her outfit. Check out the watermelon slide that Bill is wearing. It was so nice to see how creative the square dance outfits were at this camporee. I really enjoying seeing them and getting to know more about how there were made.. Gives me ideas!!

82 stuffed animals were collected and will be donated to the Wilson County Fire Department. Stuffed Animals For Emergencies know as SAFE what a great thing to support. Lots of books were collected and will be donated to a local free share book.

Chapter 128 from Florida again brought the most pull tabs. They drink a ton of soda down in Florida or they are still dumper diving. Between the tabs that were collected and the donations NSDCA will be sending a check in the amount of \$563.00 to the Shriner

Allen Byland was the winner for the picnic bench covers. There were 20 entries submitted.

A correction as "addendum"
3rd Place Golf was Susan Wolford as she received award at clean up

Mary Ann Smith finally got a picture with Neal Chartier on his Harley. Her one daughter wanted to know who that man was & what happened to her mother. Bonnie her daughter from TN said that's okay mom is just off her meds!!
