

A small, somewhat blurry image of a table with a grid layout, likely representing a dance schedule. The table has several columns and rows, with some cells highlighted in blue and yellow.

Here's the dance schedule

Linda Michel's truck campers was on display if you missed it she might give you a private tour!!

The dance tonight was very emotional as it was dedicated to those that have served in our military. Two Quilts of Valor were awarded. One to Lester Smith. Lester served in the Air Force for 4 years then severed in the Navy for 40 years. Not sure there was a dry eye in the room when he got done talking. It was so special that his daughter came over to witness this happening. Tim Little received the 2nd quilt. Tim shared that he learned to square dance in Guam!!

Lester & Tim wrapped

There is Mary sweeping up after Dave again!! She is hard at work as usual. If you still need a dangle see Mary or Dave. Get them before they are gone!!

I am not sure if that is one of their jobs as secretary? This will be there last camporee as national secretary they have been at this job for the past 8 years. I sure hope they will continue to do the dangles.

A special thanks to the men & women who have served our county!!

Ozzie had a nice smokeless fire after the dance! So plan on bringing a camp chair and join the next fire - weather permitting.

A special thanks to Cinda Asp & Neal Chartier for taking some of the pictures for the Snooper News!!
