

PRESS RELEASE

General Membership Meeting News 2018 International NSDCA Camporee in Sedalia, Missouri

Election News

The Board of directors wishes to announce several important business items from the Annual General Membership Meeting held in Sedalia, Missouri on Sunday, June 24, 2018. The first is that John and Dolly Ide of Chapter 193, the Florida RoadRunners, were elected to the Board of Directors. Since the continuing Board members expressed their desire to remain in the positions they currently held, (Tom and Pat Herscha, Vice Presidents; Tom and Kathy Nickel, Treasurer; David and Mary Bruun, Secretary), John and Dolly Ide therefore became the new Presidents of the NSDCA. We welcome John and Dolly and wish them much success.

Adoption of Amended By-Laws

The second item to report is with reference to the proposed update and revision to the By-Laws of the NSDCA as presented in the previous Press Release. Discussion of the proposed By-Laws led to the adoption of the proposed text with the exception of Article III (Membership) Section 1. For this section, the text of the previous By-Laws amended in June 2014 was retained. All other proposed revisions and corrections were accepted. Please refer to the By-Laws Rev. June 24, 2018 in the “About Us” tab of this website.

NSDCA Times Editor

We also wish to introduce a new editor for the NSDCA Times quarterly publication. We welcome Ken Schacter and his wife Carolyn and they look forward to hearing from all of you with your Chapter Chats and Campout Schedules at nsdcatimes@gmail.com.

2019 NSDCA International Camporee

The last item of note is that Ralph and Vivian Taylor volunteered to plan the 2019 Camporee. Ralph announced the location as Pride RV Resort in Maggi Valley, North Carolina. Final dates will be published in the next issue of the NSDCA Times.
