## John & Dolly Ide

**I**t's time again for our favorite publication, the NSDCA *TIMES*. Dolly and I look forward each month to read about the campouts of our various Chapters and the fun they enjoyed during their campouts. Fun always includes dancing, food, sightseeing, and of course meeting with great friends from far and wide. It's like an anticipated family event, almost like Christmas, a birthday, or a Fourth of July shared with family. Dolly and I have been attending both state and national Camporees since we joined the NSDCA twenty-five years ago and are getting a little nostalgic considering the future of the NSDCA.

Have you ever had a hat or a pair of comfortable shoes that fit just perfectly and became like an old friend. That's the way I feel about my western hats, but every so often they really need to be replaced, so I have to say goodbye to an old friend and break in a new one. It's sad to lose an old friend; friends, but that's what NSDCA and our Camp- there decide it's time, ing and square/round Each year, our national crease, mostly because membership continues to de- crease, mostly because we're all getting older and very few younger folks join us, but we depend on all of you.

We desperately need members to help with putting on our primary fun event, the Camporee. This year, we're joined at the hip with the 74<sup>th</sup> NSDC in Shreveport and if you've never been to a Camporee, be sure to come because as a first timer or new member, we're asking you to pay only for your campsite. And you don't have to move your camper to enjoy the NSDC event. We've got great fun and activities planned for everyone that you don't want to miss.

For 2026, how does a Camporee on a Texas ranch sound? Next year, we're considering the Coughatte Recreation Ranch, just a little west of Houston on the way to Waco, because we couldn't find a suitable campground near Waco. Also, we don't have anyone to chair the event and could really use some help. How about you, or our members from the HASDC (Houston Area Square Dance Campers) whose facili-

ty we plan to use? Your Board has hosted the last two Camporees. Shreveport makes three. There are only four couples on the Board. We need you!

The NSDC will be in Colorado in 2027, but we haven't yet decided where we plan to hold our Camporee. There are nearly fifty NSDCA members in Colorado and Wyoming and we're hoping to get some help from them if we go to Colorado. We may also find a location centrally located in the eastern or midwestern states, so let us know what your preference is so we can meet your needs. One thing for sure, we need your help. We need volunteers, either with the Camporee or helping us decide where to go, so come meet with us at our "Coffee and Chats with the Board" on Friday and Saturday morning in Shreveport.

Considering volunteering. We need to heap some praises on Don and Susan Wolford, our current NSDCA Treasurer and this year's Camporee Registrar and Treasurer. Their four-year term of office comes to an end this summer, but they have graciously volunteered to serve again. They have been a great asset to the NSDCA and to the Board, so be sure to let them know that you appreciate their selflessness and service. Speaking of service, the last couple of years, presenting Quilts of Valor to our veterans and military has been a highlight of the Camporee. We plan on honoring our service members again this year and appreciate everyone joining us for the event.

We can't forget the contribution of our callers, cuers and many volunteers that make the Camporee a great event, but it's only great if you participate. Gas prices are coming down and we've tried to offer special incentives to make it more affordable for everyone. Please come and join us in Shreveport next month.

Hope to see you there. Stay well and enjoy life.

*Dolly and John*

**R**eady for some fun? Join us for the 2025 International Camporee in Shreveport, LA, occurring right before the National Square Dance Convention! Whether you're a seasoned camper or prefer the comfort of a hotel, we've got something for everyone. Come for the activities, stay for the memories!

We have lots of fun activity planned for the Camporee. I'm huge with having potlucks, so we are going to have them almost every night.

Thanks to the NSDC, we have the use of the Round Up room after the Camporee from Monday, June 23<sup>th</sup> to Saturday, June 28<sup>th</sup> for our activities, so you won't miss a minute of the action. Come for the camaraderie, stay for the food and festivities!

## Susan & Don Wolford

**T**he snowbird season is quickly winding down here in Florida. A few dances continue into April, but most of them finished their season the end of March. Quite a few of our friends have already gone back to their northern home. We are staying in Florida 'til close to the end of May as I'm cueing at The Villages on May 18<sup>th</sup>. We will leave Florida and head to Alabama to drop off our RV, and then hit the road for Ft. Morgan, Alabama for a stay at the Alabama beach.

A great time was had at the Florida State Convention this past January. It was wonderful to meet up with so many friends we had not seen in some time. The dance was held at *The Center at Deltona*, in Deltona FL. The 2026 Florida State Convention will be at this same location on January 16 & 17.

We have enjoyed camping with our Florida Camping Chapter, Strawberry Travelers (#153) this winter season. Unfortunately, we had to miss our December campout. The Strawberry Travelers Chapter originated out of Strawberry Square ([www.strawberrysquaredancing.com](http://www.strawberrysquaredancing.com)) in Plant City, FL and we were able to camp there in April. It was good to be back to where it all began. We all had a good time and got to dance on the nice floating floor in the big hall. We even had a record number of guests come to dance with us.

If you haven't sent in your NSDCA renewals, please put it in the mail. You don't want to miss getting any of your *TIMES* newsletters.

I hope you have sent in your registration for the *Square Dance Bash on the Bayou* International Camporee in Shreveport, Louisiana. As I am writing this, the end of April, we have 34 rigs registered with one couple off site. So far, only three of the rigs will not be staying for the 74<sup>th</sup> NSDC. The NSDCA Board is chairing this Camporee and they are working hard to put on the best Camporee ever. They need you there to help accomplish this. There's something for everyone: squares, advanced, rounds, lines, games, crafts and, most of all, fellowship!

Hope to see you in June in Shreveport.

*Don & Susan*

**H**i, everyone! Spring is here, and Summer is just around the corner. Spring and Summer are times when we get ready to start camping again. We are so ready to get out camping and being with our friends again for the weekend. I want to wish *safe travels* to those that are in the process of traveling from your winter residence to your summer home. We look forward to having our Snowbirds back again. Be sure to join in on your Chapter campouts and share your campout activities with the *TIMES* newsletter. It is always nice to read about what other Chapters are doing at their campouts.

I didn't receive many updates for Chapter Officers. Thank you to those that sent them in. It is important to keep the Staff and Officers updated as to the Officers of your Chapter. There is a form, "Elected Officers of Chapter," on the NSDCA website, [www.nsdca.org](http://www.nsdca.org), for you to fill out. This helps me and other Staff and Officers know who to contact when there are questions.

During the Summer, be sure to keep me updated if you are going to change your Winter residence for 2025. As soon as you know you can send it in and I can make sure it is ready. I am dating all changes so as long as you include your departure/arrival date I can ensure the *TIMES* is delivered where you are at.

You still have time to register for our 2025 International Camporee which is going to be held in Shreveport, LA on June 19, 20 & 21. It is always such a fun time; we are going to be attending and look forward to meeting all of you and putting a face to a name. Don't forget that the National Square Dance Convention is the following week, also in Shreveport. You can attend both in one trip! It looks like the National Convention is going to hold afterparties right at the Campground for us.

Happy Summer, Camping, and Dancing!

*Kathy Nickel*, Membership Secretary

# State & Area Representatives' Reports

## Illinois State Representative

Hello from Illinois!

Well, the camping season is well underway (or will be when you read this) and everyone is looking forward to Chapter outings, their state camporee and the NSDCA International Camporee. At the April State Board meeting, Illinois Chapter 014, Blackhawk Crosstrailers, talked about all the events in store for the attendees at the *2025 Illinois State NSDCA Camporee*, June 6 - 8, 2025 at Winnebago County Fairgrounds. Everyone was reminded to enter at Gate #2, 500 West First Street in Pecatonica, IL It's just two miles North of U.S. Route 20.

If it's not too late (as you read this) and need more information, please call Bob Ash at 815-262-9080. FYI, both 30A and 50A sites close to the dance building are available. Full-service campsites are also offered; while they are not right by the dance building they are within walking distance. State election results plus a synopsis of the State Camporee will be forthcoming in the Fall issue of the *TIMES*.

Patty Greene will be the featured caller at the *2025 Illinois Square & Round Dance Convention*, July 18-20, 2025, held at the Sheraton Chicago Suites O'Hare, Rosemont, IL. The 2026 event will be at the Holiday Inn, Rock Island, IL on July 23-25. Springfield is the site chosen for 2027. The 2025 convention actually starts on Thursday, July 17 with an evening Trail-In dance. On Friday the 18<sup>th</sup> there will be a Caller seminar from 10 a.m. to 4 p.m., with more on Sunday the 20<sup>th</sup>. Fun for all! For more information and online registration, go to <https://www.ilsdc.dance> (that's all; there's no '.com' after that stated URL!)

Chapter 014, Blackhawk Crosstrailers, have a public Facebook page. Check it out. They also have a full camping/dancing schedule from May through October. If that's not on FB, check the the NSDCA *TIMES* newsletter listings, Chapter Chats, or contact Bob Asp. I would be remiss if I didn't mention the Bob Asp & Kirk Bracset will be calling a dance October 7<sup>th</sup> to the 9<sup>th</sup> in Carlock, IL. Camping will be at Kamp Komfort. Apple picking and treats from the apples are expected to be some of the fun activities offered.

Chapter 123, Swing-n-Travelers, reported having a fun opening to their season get-together at the Bowman's home in late April, where they set their summer camping schedule. They are planning to have their Route 66 trip for a week in September this time since the October 2024 dates didn't work out. Their kickoff campout was at the Marshall Putnam Fairgrounds in Henry, IL over the Memorial Day weekend. It's always a great weekend.

The Wabash Valley Wheel Arounds, Chapter 196, also has their own FB page, but right now it's for members only. However, you can follow

### **002 Pine Tree; Wisconsin**

Our camping season kicks off in a couple of weeks. We are so ready!!!!

Neal & I are still waiting for our motorhome to get out of the dealership; it's been in for repairs since December. It's wild how much havoc a single blown tire can cause. Fingers crossed that the dealership gets it wrapped up in time for our first campout.

### **044 Illiana Square Wheelers; Illinois/Indiana**

Well, the winter is over and we are happy to report Bruce and Lottie Buckbee stopped in Illinois for a few days on their way to CallerLab in South Carolina. Since they were here, a few of us, some former members of Illiana Square Wheelers, and another couple of friends got together for an afternoon and evening of enjoyment. This time it was Mexican Train dominoes that filled the afternoon, followed by a delicious dinner prepared by the host Barb (and Don) Zamastil, with contributions from the attendees. Following dinner, we finished the dominos game. The chatter was lively and the entire time was quite pleasurable. Everyone is looking forward to our next time together, hopefully before mid-summer and then again in the fall - AND or anytime the Buckbees venture back to Illinois.

Wishing everyone a great relaxing super camping season.

### **106 Square Up Campers; Pennsylvania**

Does Square Up member Jack Stone and little pooch Maisie in the photo on the next page look comfortable? Indeed, they do!! Relaxing in their comfortable chairs, both are soaking up the Florida sun. Most of the other camping club members are either shoveling snow or eagerly awaiting the first crocus to pop up from that fluffy white stuff, announcing the end of the freezing temperatures. What do the Square Ups do during the winter months? We gather together for a pot luck meal and call the gathering "The Sour Grapes Lunch." We only wish longingly that we could sit with Jack and Maisie and feel so warm! Please join our campouts some weekend!

## 119 Wander Yonders; Wyoming

We hope that all of you have had a great holiday season and took advantage of the winter activities with your camping club and all the square dances in your area. We are thankful that our Caller, Dave Guille, continued to have dances and classes in his square dance hall. Even when we were not camping, we were dancing!

We did have a Christmas party. It was great to get together with our camping friends. We collected food for the food bank in Cheyenne.

Our January meeting was cancelled due to the cold weather and snow. As we age, we become smarter about avoiding driving in bad weather. It seems like the whole county suffered from the snow and cold. Lots of snow fell in Pensacola, FL; my daughter's workplace was closed for several days.

The tentative schedule for 2025 was sent out to the members; we were unable to vote on it because the meeting was cancelled. It appears to be a repeat of last year. Our first campout/dance will be in Laramie, Wyoming for the Memorial Day weekend. We will have the opportunity to see everyone and attend multiple dances with Dave Guille & Lynn Strobel calling and Steve Kline cuing. Please see our schedule on the NSDCA website and in the back of this issue of the *TIMES*.

As we look forward to the arrival of Spring and the blooming of tulips, please remain in good health and stay warm. It will be here before we know it!

## 123 Swing N Traveler's; Illinois

Everyone has made it safely home from Arizona and Texas, except one couple who are still traveling. With issues at our April 2024 campout, we decided to have a meal at someone's house and play cards with the option of going to a square dance nearby. Even though everyone had to walk down steps to the basement, we offered our home as we are close to one of the square dance venues.

When everyone first arrived for lunch, they gathered together with hugs and greeting to the 15 who made the trip, as some had to travel two to three hours to get to our home in Eureka, IL. There were three people we hadn't seen in over a year, so it was good to see Ron Mayer and Jerry & Judy Boutelle. Everyone enjoyed the meal with fried chicken and pulled pork sandwiches along with the sides that everyone brought. Although two couples had to leave afterwards, the rest enjoyed playing cards and laughing together. Later, five people left for the dance with callers, Curt Braffet and Jack Pladdys, while the rest headed to their homes again. Everyone seemed to have a great time, and no camper to pack or unpack this time.

By the time you get this, we would have had our Memorial Weekend campout with all our friends, once again held at the Marshall-Putnam Fairgrounds. Normally, we have a great turnout at this one, where we usually enjoy pizza out (for those who come on Thursday), a potluck, games, craft, homemade ice cream and visiting around the fire. Hopefully, many will attend our state camporee June 6-8, then later at the International Camporee and National.

## 128 Square Wheels; Florida

After a beautiful long Spring season in January through March it feels like summer has arrived here in sunny Florida. We have had a terrific camping season so far in 2025. January saw us at our state convention, in February we ventured into South Georgia for our Valentine Day celebration, and then in March we traveled to Silver Springs, home of glass bottom boats and a fascinating history that includes filming of movies such as *Rebel Without a Cause*, *The Creature from the Black Lagoon*, six *Tarzan* movies and the James Bond movie *Moonraker*. We had visitors from

local clubs and had five squares dancing for part of the evening! John & Dolly Ide paid us a visit to encourage attendance at our upcoming NSDCA International Camporee in Shreveport LA.

What a great time we had at our April campout at Stephen Foster Cultural Center State Park in White Springs. We had just over five squares on Friday and six on Saturday nights. We had a bonfire both nights; thanks, Ron & Linda. There was a great turnout for our communal brown bag dinner on Friday night; that was followed by early rounds and then squares and rounds. Saturday, some of us played cards in the morning, some took a bike ride with Bob & Mark, some toured the grounds and museum, while others hung out by the campfire site and socialized. That night's covered dish dinner was a feast; if you left hungry it was your own fault. Susan Snider delighted us with rounds and the squares were kept moving by our Chapter caller, Bill Chesnut and club members (also callers) Mark Fetzer, Frank Plunkett and Bill Cassidy. We were excited to have visitors from the Lake City area and Tallahassee, as well as former Chapter members, non-camping guests and even two couples from the campground (one of the couples who came also watched last year; Bill got them up for a little 'refresher'!) The dance hall air conditioner was not working, and with outside temperatures in the mid-80s to 90 degrees, it got a little warm. The campground visitors were friendly with the State Park's staff, and were able to get us a goodly number of box fans that we used to move air through open doors and windows. We survived and thrived! Thank you, Mike and Sue! We are looking forward to next year's visit at this state park (hopefully with a working air conditioner!) Our past NSDCA Vice President and long-time Chapter member, Tom Herscha, has been voted 'Mr. Fix-It' by several camping members, especially Carolyn & Russ Ueber.

Friendships made through square and round dancing extend well beyond the dance floor. Case in point: Chapter member Marilyn Scott organized a trans-Atlantic cruise for 14 dancers and six additional guests. We were able to visit Palma, Mallorca and Barcelona in Spain; Nice, France; and Florence, Pisa, Naples, Pompeii and Rome in Italy. Among all the beautiful and historic sites, we toured the Vatican, Sistine Chapel, and St. Peter's Basilica on the Wednesday before Easter. It made the news of the death of Pope Francis on the Monday after Easter touch all of us more deeply.

Square and Round Dancing have changed my life; I know many of you feel the same. Until we meet again!

Mary Chesnut, Treasurer

## **153 Strawberry Travelers; Florida**

In our last CHAT (which was written at the end of January), I mentioned that we had an upcoming combined camping event planned with #193, Florida RoadRunners. That campout took place at Red Oaks RV in Bushnell. It was Valentine's weekend and it just 'blossomed' into a full weekend of fun! It was a pretty busy one though. RoadRunners start their campouts on Thursday and we soft, but sweet Strawberries don't stroll in 'til Friday (a few of our members are still working). By 2 p.m. most all of #153 and some of #193 had brought out their chairs and began to gather together at our club tent for a time of meeting, greeting, munching, and crunching on some delicious cookies provided by our weekend hosts, Jack & Bev Henry. We later divided into smaller groups and went to various restaurants for our evening meal in order to gain more energy for that evening's dance. Susan Wolford (#153) was Cued for the weekend; she began the dance with early rounds. Callers Mike Gormley (#153) and John Sweeney (#193) provided us with some romantic, some sentimental and even some silly tunes to keep in the theme for Valentine's Day throughout the weekend. The RoadRunners were energetic enough to be up early on Saturday morning to host a breakfast for anyone who had enough gumption to wake early, prepare a dish, and mosey on over to the hall. Jack & Bev hosted #153's hot dog lunch at noon under the club tent and then we all prepared a dish to share for when we gathered at 4:30 for our Potluck. We sure enough had bunches of 'Valentine Vittles' that day! There were some guests who came in for the Saturday evening dance. There were also two more couples who came in just to watch and to learn a bit more about Square Dancing. Before they departed, Mike Gormley got them out onto the floor and guided them through one tip of simple calls so they could experience how much fun square dancing can be.

Our April "Back to Our Roots" campout took place at Strawberry Square in Plant City. This is where our club was started many, many moons ago. After arrival, we met in the Martin House for an afternoon of "yakkin' & snackin'" until it was nearing dinner time and we each headed out to whichever restaurant suited our fancy. Once we were all 'filled to the gills' we headed back to ready ourselves to dance off all those recently consumed calories. Both the Friday and the Saturday evening dances were held in the main Strawberry Hall with the floating wooden dance floor which is so nice to dance on! Charlie Pergrossi was our caller for the weekend. Charlie did a great job filling in for Mike Gormley, who

was unable to attend due to vehicle troubles. Susan Wolford cued rounds and also led us in a few line dances as well. Since we were at Strawberry Square and so many of the residents there are dancers, we had some guests show up both nights. It was nice to see three to five squares on the floor! Following the dance, those in our group who were not too pooped went back to the Martin House for more snackin' and yakkin', but soon retreated back to our rigs for some much needed nappin'!

Al & Dunelle Burchsted were our hosts for the weekend. Dunelle had prepared some appetizing, nutritious, and very delicious lentil and chicken soups for our Saturday lunch. The rest of us brought any condiments or sides we preferred to have with our soup. We took care of business after lunch by approving and voting in our Club Officers, Chapter Reps and Newsletter coordinator for our 2025/26 club camping season. All offices and positions remained the same with the exception of Treasurer: Dan and Sue Ann Eversole regrettably found it necessary to step down at this time, however, Al Burchsted was ready, able, and willing to fill the bill, make the change, and guard our treasury. Thank you, Dan and Sue Ann, for this past year of a job WELL DONE! We appreciate you and all that you add to our club! Thank you, Al, for so willingly stepping up; and, THANK YOU to ALL OF OUR OFFICERS who tirelessly keep us going – usually with little or no recognition for all of your time and all of the things you do and have done to keep our club existing, moving, and continuing!!!

Strawberry Travelers does not camp during the summer in Florida, but some of our members will be heading to Shreveport, LA for that big “Bash on the Bayou” that will be just bustling with bountiful dancing and bunches of fun!

Our next Strawberry campout will be October 17-19, 2025 at Southern Palms RV in Eustis, FL. Many of our members will be staying through the week in order to attend the 49<sup>th</sup> FANSDC Camporee, October 23-25, 2025 and have a wild time with the JUNGLE SAFARI theme. You can always check our schedule on NSDCA website or FANSDC.net. Come join us. See you there in a square!

### **C-175 Riverside Gypsy Squares; Ontario, Canada**

The Gypsies had a successful mid-Winter Dance in February at one of the church halls in our area. A number of dancers from other local clubs joined us for a great afternoon of dancing and fellowship. We would like to thank the Callers and the Cues who took turns leading us in the dancing and to the Gypsies that provided drinks and sweets for us to enjoy.

Now that Spring is beginning to make itself felt in some of our area,

we are looking forward to our upcoming camping season. Our first campout occurred the third week of May. As this entry is written well before that date, I have not heard what the Committee for that month is planning – but I am sure that there will be some time to catch up with each other to find out what has been happening in everyone's lives over our long winter.

June 20<sup>th</sup> to June 22<sup>nd</sup> will be our next campout, and I am fairly sure that strawberries will be on the menu. I know that Gypsy Joe loves his shortcake!

We hope that you all have a warm and happy summer camping and dancing.

The long winter is over and we are looking forward to our campout on June 6 – 8 at Horseshoe Acres Campground in Andover, VT. It will be fun to meet up with our friends and friends-to-be while dancing to caller Don Bachelder and cuer Mary Lou Gagliardi. This relaxing weekend will be filled with dancing, workshops, games, and of course fellowship. See you soon.

**193 Florida RoadRunner Squares; Florida**  
Hello, Friends!

Summer is upon us...time for vacations, beaches, and our **67<sup>th</sup> ANNUAL NSDCA CAMPOREE**. I wish lots of you, no, all of you, were registered and about to get on the road to enjoy the fun, fellowship and great dancing of the Camporee.

As I reflect on the past three months, which have flown by so quickly as usually happens, I will have to begin with the latest adventure (being April 30, when I am writing this) of your president, my husband. With his leg healing well and his being able to walk with the use of a cane, he is once again in bandages, as you can see by the picture. This time it was scheduled surgery to relieve carpal tunnel syndrome and cubital tunnel syndrome (a condition caused by compression of the ulnar nerve

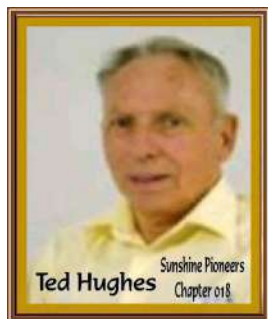

at the elbow, leading to numbness, tingling, and pain in the hand and fingers; it's commonly known as a "pinched nerve") in his left arm. We are both very hopeful that he just might be dancing again by the time you are reading this, and we are both looking forward to seeing all of you in Shreveport.

If you remember, I shared last month that we co-camped with the Strawberry Travelers (#153) in February. We all enjoyed a great weekend together. Our awesome caller, John Sweeney, along with the Strawberry Travelers' Mike Gormely, put together two nights of totally awesome fun and dancing. Being Valentine's Day weekend, Mike got us all on the floor to play his Valentine - "Monte-Carlo" game. The floor was divided into four areas, (Hearts, Spades, Clubs and Diamonds), then someone drew a card from Mike's deck of cards; if you happened to be standing in the area of the suit of the drawn card, you had to sit down. The remaining folks could change areas if they wanted to and another card was then drawn from the deck. After a few more rounds of elimination, the last man or woman standing won a really "Big Hershey Kiss" from the caller. It was a great little fun activity for the group. As our awesome cuer, Chuck Ryall and his very gracious wife, Mary, were not able to be with us for this weekend, the lovely Susan Wolford of the Strawberry Travelers did double duty, cueing for us both nights. Friday morning found us on our annual Valentine's trip to the Russell Stover Candy outlet and a huge nearby antique -thrift shop. Later, we had time to craft a hanging heart made of painted puzzle pieces (see photo above right) and enjoy a great potluck dinner together with super good food. A great weekend for all!

Our March weekend was in Winter Haven, FL, beginning on Thursday evening with a group of us visiting a local club, the Shufflin' Squares. Our awesome Cuer, Chuck Ryall, cued the rounds for them that evening. We all had such a great time together, they decided to come dance with us on Friday night, which made for three squares on the floor and equaled lots of fun dancing. The fantastic calling and cueing by John and Chuck made the evening fly by way too fast.

On Saturday night we held a Memorial Dance for Ted Hughes, Caller and President of Chapter 018. Ted was a very special friend and associate member

*(‘Chats’ continued from page 17)*

of our club. He was always willing to help us out whenever we needed him. He and Tammy Radcliff were always a treat to be with.

We welcomed two new Associate Member couples, Bill & Wendy Brock and Pete & Jackie Tamblyn/Hogue to our club to make a fun evening for all. A very special thank you shout out to Bill & Wendy for also bringing three local dancing couples with them! Since March, after all, is “National Meatball Month” (you all knew that right?), we enjoyed some truly tasty meatball subs with our yummy potluck dinner.

Wekiva Falls in Sorrento, FL was the destination for April, though our numbers were down a bit and we struggled to get a square on the floor at times, John and Chuck worked their magic together with great dancing fun for all. We had a great time filling Easter egg/bunny favors for our craft (↓) and tried very hard to stuff the eggs and not ourselves. Getting that Easter straw to stay in the eggs was a bit of a challenge though.

Finally, your NSDCA Board is working hard to bring you a great Camporee in just a few weeks. This issue is full of exciting news and helpful information to get you ready to head to Shreveport. I truly hope you can and will help support us by trying your very best to help us have a **FABULOUS 67TH CAMPOREE**. It takes a team of people to put on a

great Camporee, and most important, YOUR WILLINGNESS TO ATTEND.

If you are in Florida anytime, be sure to check online for our (Chapter 193) schedule and consider spending your camping weekends with us. Our schedule is always on the NSDCA.org website, Florida's state FANSDC.NET, as well as our own Chapter 193 website, [www.whirlaways.org/rr\\_193\\_index.html](http://www.whirlaways.org/rr_193_index.html) and come join us.

Enjoy your travels and as always... "We hope to see you all in a square somewhere!"

## 196Wabash Valley Wheel-a-Rounds; Indiana/Illinois/Ohio

The weather outside today was delightful and full of promise for warm days ahead. At least until tomorrow when who knows what it will be. That's life in the Midwest. Chapter 196 is coming back together after having been scattered about the country for the winter months. Some of us were dancing in the Rio Grande Valley of Texas, some in the Florida Sunshine State and one couple even ventured to Hawaii to escape for a bit.

We have our schedule for the summer put together and are looking forward to being together again and having others join us as they can. Our schedule is included in this newsletter and on the NSDCA website, so look us up and join us when you can. We always have good times and good food.

We will be heading to Kentucky Horse Park in May. June will find us at the Illinois State Camporee, Nationals and the International Camporee. We will not be having a Club outing in July as many of us will be doing

some individual traveling. August will find us at Sauder Village (camping at Fulton County Fairgrounds) in Ohio. In September we will be at the Johnson County Campground in Indiana. October brings two outings, including a trip to Carlock, IL and also our annual outing to Rockville, IN where we will be dancing at the Covered Bridge in Mecca, IN. We will finish our camping season at the Indiana State Convention in November. See the camp schedule in this issue of the *TIMES* for dates and contact info.

We have included a picture of some of our group at the 2024 Indiana State Convention and one that will hopefully give you a smile today.

We wish all safe travels and happy camping through 2025.

## Our Favorite Campground Signage

How often do we see a sign at a campground that strikes our fancy? How often do you take a photo of that sign to remind you it? I have a small collection of signs that I will periodically publish, and (of course!) I am asking you to submit your favorites.

The photo shown was taken at the Sleepy Hollow Campground in Phoenicia, NY. The campground is a secluded place well set back from the highway, surrounded by trees and bounded by a creek. Phoenicia is near Woodstock, NY, where we have family that we were visiting. One interesting thing I found at that campground was that while there was no sewer connection at the campsite (there is a dump station), they do have site-based graywater hookups, a first for us.

Pets are welcome at Sleepy Hollow, but the owners take the deposition of 'land mines' by our four-legged friends seriously, thus the sign.

What signage have you found that has struck your fancy? Please email the editor a digital copy in the highest resolution format your camera produces along with the name campground where you found the sign. A brief description of the campground (similar to the above) would also be appreciated, but is not required.

# We Remember Our Friends

## **Kenneth William Roberts (Pioneer, 010)**

Kenneth William Roberts, age 71, of New London, WI, passed away on Good Friday, April 18, 2025. Ken was born May 14, 1953 in Graceville, MN. Ken graduated from Graceville High School, University of Minnesota, Crookston and U of M, St. Paul. He met the love of his life Harriet (Meyer) in Sunday School at Mt. Olive Lutheran in Graceville.

Ken spent his working years in the agriculture industry; he was an Ag teacher, managed co-ops, and was a dairy rep for Land O' Lakes. He sold milking parlors for Bou-Matic, Germania and Westfalia Surge. Ken even worked as an insurance adjuster and marketing rep for several crop insurance companies.

After moving to Wisconsin to be a regional sales manager for Bou-Matic, he purchased a hobby farm next to Mosquito Hill, where the family raised sheep, chickens and turkeys. While raising his three boys, the family enjoyed spending time together camping, hobby farming, sending the kids to 4-H and the county fair, and traveling the country.

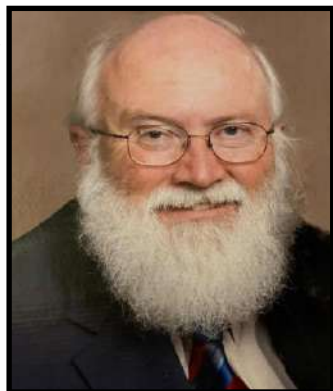

After Ken retired, he loved going for coffee in the mornings with the "guys," attending bobble head nights at the Timber Rattlers and square dancing. He was a member of Romeos and Calicos Square Dance Club and was a Pioneer 010 Square Dance Camper. He even went on several square dance cruises. Ken and Harriet have been spending their winters in the Rio Grande Valley of Texas for the past 12 years. They also spent time traveling the world; they have been to Alaska, Hawaii, Australia, New Zealand, Germany, Spain, Italy and England. Ken and Harriet recently celebrated their 50<sup>th</sup> Anniversary with a trip to Norway (which was one of Ken's lifelong dreams).

## **#152 Henry "Hank" Francis Sweetman (Campers & Dancers, 152)**

Henry "Hank" Francis Sweetman, age 75, of Hermitage, TN passed away on Sunday, March 30, 2025, due to complications from a stroke. He was born on May 4, 1949, in Endicott, New York.

Hank graduated from Potsdam College in 1971 with a B.A. in History and taught for two years before transitioning into retail manage-

ment. This change in career took his family to Cleveland, OH, Altoona, PA, and Jacksonville, FL. In 1983 he went back to school in New Jersey to become a computer programmer where he would ultimately work for Prudential Insurance and Fidelity Investments for several years. After moving to the Detroit, MI area in 1988, Hank started work with the Ford Motor Company. Following a family relocation to Nolensville, TN in 1991, Hank began working with Service Merchandise at their headquarters in Brentwood, TN. From there he would transition to become a supply chain manager for Nissan North America in Smyrna, TN.

After his retirement from Nissan in 2013, Hank and Martha enjoyed traveling and RV-ing extensively across the United States and to several countries with friends and family. Hank took great pride in making his yard look like a city park and could often be found working in the yard and around the house. An avid reader, he especially enjoyed reading about and studying with a focus on history, especially WWII. Finding an outlet for his love of trains, Hank would eventually become President of the Delaware, Lackawanna and Western Railroad Historical Society, as well as the manager of the hobby shop at the Tennessee Central Railroad Museum.

Hank and Martha shared a love for square dancing, which is also how they first met. Hank would go on to serve a term as President of the Cumberland Valley Western Square & Round Dance Association of Middle Tennessee, as well as being the President of the Barnlofters Square Dance Club for over 20 years. Hank was also the Secretary of the Alabama NSDCA Chapter #152 of Campers & Dancers and recently became the President. He served as the Secretary of the Nolensville Masonic Lodge for several years. Hank especially enjoyed volunteering at the Nashville Symphony where he and Martha would enjoy live music.

He was loved and appreciated by everyone he met.

## and the FUN continues...

There were 22 entries this time providing thoughts on the location of our 2025 mascot who has been dubbed Allie Gator, our lost aquatic reptile. The Spring issue contest's winning 'invest-i-gators' were Tom & Rita Biehn of the Florida RoadRunners (#193, FL). Congratulations to who I believe are first-time winners from that Chapter; your 2026 NSDCA membership fee will be waived. (Remember to have the certificate you received in the email sent to our NSDCA Treasurer when you renew in December.)

Some of the comments received about our lost gator are as follows: From Norma Schertz, #123 (IL): "The alligator mascot ... is ready to go!" Frank Golden, #116 (KS) stated, "The alligator is trying to get hold of Susan Wolford, because he is lost." NSDCA Treasurer Susan Wolford, #153 (FL) offered, "He's getting ready to chomp onto some more information for our up and coming international Camporee. He's probably going to volunteer to be on the greeting committee for when we arrive."

Our long-time perennial punster, Jim Sebesta, #045 (PA) provided, "She's assisting Susan Wolford by announcing that, "For more info about the Camporee registration process, one should contact Susan. I'm sure Susan appreciates the aid. I like a little gator aid myself now and then. It helps keep my electrolytes in balance."

Pat Edwards, #123 (IL) wrote, "Guess she likes being a centerfold girl." while Mary Bruun, #123 (IL) offered, "Miss Allie is asking Susan for more information. If you haven't sent in your registration form yet, please do so as soon as possible. Your Board is looking forward to seeing you at the Shreveport Louisiana Fairgrounds, June 19, 20, & 21 2025."

Lastly, Jim and Sharon Waller, #123 (IL) summed it up nicely: "He's anxious to sign up to go to the Camporee."

Please remember, the contest for the Chapter with the most submissions is not won solely on the number of entries (for a large, motivated Chapter would easily swamp the numbers from a smaller Chapter) but is also based on the percentage of total members of that Chapter. So, if you are a member of one of our smaller Chapters, do not lose hope, for with sufficient entries—your Chapter could win! But, you'll not have that opportunity if you don't make an entry. We have more than 600 members and only a couple of percent make a submission, typically from the same Chapters. You can't win if you don't enter. And please remember, in order to win you must be a member in good standing (2025 dues are paid!)

I've stated this before, and I'll state it many times in the future: This is *your* newsletter! Your contributions make it informative, educational and most of all, entertaining. Let me hear from you on the contest as well

as other requests that have been made in the past (e.g., caller or cuer biographies, best practices, handy hints, etc.).

Our 2025 International Camporee is being held in Louisiana, thus an alligator mascot. I’m certain you noticed an alligator in the list of contest submissions immediately below by the members of Chapter 123 that made contest submissions. Let’s get this gator back on track—headed to Shreveport—before Allie Gator gets too hungry and noshes on a few square dance campers.

Send your answer to the location of our lost gator (or article/idea contribution) *this time* via email to **NSDCAtimes@gmail.com** (to arrive no later than July 31, 2025). Please do not send by US Mail for this issue’s contest. Remember, I will confirm receipt of your email within two days; if you don’t hear back from me, please double check the address where you sent your submission and resubmit it.

For contest entries, please provide the page number *and* where on the page our lost gator is located. Simply providing something like “on the bottom of page 2” is insufficient; however, if you write something clever

## NSDCA Campground Database

The list starting on the following page presents the campgrounds contained in our NSDCA online campout entry system. The campgrounds, provided by member Chapters, are sorted by alphabetically for each state. There are even some churches and other venues listed where Chapters have met for other social events. You'll note there are some duplicates, as people have listed the same campground by different names. The list is provided: 1) to encourage Chapters to explore campgrounds other than those they normally frequent (I know several Chapters that occasionally cross state boundaries for campouts). and 2) as an aid to those diligent NSDCA members that enter your Chapter's campouts in the online system for publication on the website as well as inclusion in the 'traveling map' and the *TIMES* newsletter.

The fact that we have such a large database of campgrounds implies our Chapters are having a really good time enjoying themselves in various places. Given all the campouts listed, only in rare circumstances should a submitter need to manually enter a new campground; if it's not a new venue then before re-entering all the information, they should try different spellings to see if their campground is listed under a different name. Again, the list below should help in this instance. If there is a new campground being used, please let the editor know (preferably before entering the information) so the database can be updated. This is important as campgrounds in the database have a hyperlink to Google Maps automatically included in the online campout listing.

Accurate entry of campground names ensures the hyperlink is provided, which can direct other NSDCA members to your event if they plan to be in the area; I have availed myself of this feature in conjunction with the 'traveling map' to attend other Chapters' campouts while we are on the road. Remember, when searching for your campground while using the online system, all you need is a few letters of the campground name, and a drop-down list is provided containing all the entries in our database that have those characters in them. Then all you need do is click on the appropriate campground and its address and phone number is automatically populated for display in our website's campout listing. If you don't find it at first, double-check what you have typed in; there has been a lot of extra work done by submitters (having to type in the address, phone number, etc.) when the correct entry was in the database, but the submitter did not spell the campground name correctly. Remember, only a few letters are needed!

If you note an error in the name or spelling of a campground you frequent, please let the *TIMES* editor or NSDCA webmaster know. Their email addresses are on page 51 of this issue. Thank you.

their camping schedule through the *TIMES* or NSDCA website listings. Again this year they will be square dancing on the bridge during the Covered Bridge Festival.

Members from Illiana Square Wheelers (#044), Trade-by-Travelers (#066) and Trail’n’Squares (#075) don’t have their own camping schedule, but enjoy camping with the above mentioned chapters.

Along with everyone else, I’m reminding you to pack your bags and RV and get ready to attend the NSDCA International *SQUARE DANCE BASH ON THE BAYOU*, June 19-21, 2025 at the Shreveport Louisiana Fairgrounds, 3701 Hudson Ave., Shreveport, LA and then stick around (and stay on your same campsite) and attend the 74<sup>th</sup> National Square Dance Convention at the Shreveport, LA Convention Center from June 25-28. The convention center is located about 10 miles from the Fairgrounds.

Enjoy the camping season, sometimes known as “the 100 days of Camping.” In our region we probably have a few more than 100 days, but whatever your number is - just be sure to get out and have some fun. Life is short, enjoy every moment of it!

# Send a Teddy Bear to the Camporee

## The Teddy Bear Cops program

Aims to provide **stuffed animals (teddy bears) to children during traumatic experiences**, such as car crashes, child abuse cases, and other incidents.

Police officers and emergency officials carry teddy bears with them to offer comfort to small victims and reduce psychological trauma.

## Notes from the NSDCA Camporee Team

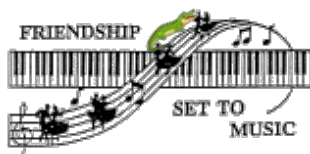

The 2025 67<sup>th</sup> NSDCA International Camporee is just around the corner and the NSDCA Team is ready to make this a fun and memorable event for all participants. We have a schedule of games, food, square, round and line dancing, afterparties and much more to make sure everyone has a great time. Here's some details that you should read carefully:

- **Let's begin with your arrival.** You may come as early as June 15<sup>th</sup>; if you're not intending to take advantage of the extra early activities (see below), just plan to arrive on Wednesday, June 18<sup>th</sup> in time for our potluck get together and Trail-In Dance Wednesday night, featuring our great NSDCA callers and cuers.
- **Whatever direction you will be coming from, use I-20 for east/west arrival and I-49 for north south arrivals.** We will email detailed instructions to all attendees near the end of May for access to the Fairgrounds and to the campground area within the Fairground.
- **For some early fun and dancing,** if you arrive before Tuesday evening you can join the group and carpool or drive separately to the Southern Swingers dance in Bossier City, about 15 miles east. Directions will be available in your check-in packet.
- **If you arrive on Wednesday,** you can enjoy a shared potluck dinner before the Trail-End dance that evening called/cued by our own great NSDCA talent, all in preparation for the next three full days of Camporee events.
- **Special events** this year also include a special wood whittling craft in addition to other more traditional craft offerings, a Quilts of Valor presentation for qualified veterans, a book exchange and teddy bear collection to be distributed through the Shreveport Police Department, along with our usual appeal for the Shriners Children's Hospital.
- **Don't forget that if you are a brand new NSDCA member,** you're required to pay only for the campsite fee of \$35 per day and you will save \$75 off the full Camporee rate.
- **For some mealtime fun and fellowship,** our national Secretary has planned nightly potluck shared meals for anyone interested. Come eat and meet with friends from far and near.
- **To help start your day,** the national Board will be hosting daily morning "Chats and Coffee with the Board." This is your opportunity to share your thoughts and ideas.
- **After all the NSDCA events are over,** remember that you will not need to change your campsite, you can stay right where you are for the NSDC events coming up in the following week. You can relax for Sunday and begin the week on Monday evening with another pot-

## NOTES FROM YOUR EDITOR

Before I forget (which I seem to continually do) I wish to remind you that back issues of the *TIMES* are available on the NSDCA website. Just navigate to the green menu bar item labeled “NSDCA Times” and click on an issue. Complete digital sets of yearly issues are available as far back as Spring 2011, and a few others are available prior to that.

I have previously commented on my inability to find an easy-to-use, free (or relatively inexpensive) publishing program for my Macintosh computer. You may recall I was planning on moving over to that platform from the Windows-based computer as the PC was on its last legs. However, I needed to keep the PC around as long as possible, as that’s where the current publishing program, Microsoft’s *Publisher*, would run (there isn’t a Mac version). Long story short, as no one seemed to be able to help me figure out how to dual-boot the Mac from an external drive, I ended up buying another PC, a used Dell Latitude 5400. I found a discount house that sells legitimate copies of Microsoft products, so now I have a reasonably recent version of Microsoft Office, which includes *Publisher*. Of course, I occasionally get confused with command keystrokes and shortcut keystrokes between the two operating systems, but that is a small price to pay, since now I still have the tool I am most comfortable with to produce the *TIMES* newsletter.

On a recent trip in our RV, I somehow managed to brush the sidewall of the passenger rear tire against something, which produced a small tear in the rubber. While it was not losing air, I did not want to take any chance of either sidewall separation or a blowout occurring while we were driving. Fortunately, my wife purchased tire insurance along with the roadside service package we have for the RV. Lo and behold, I received a check in today’s mail for the price of the tire; I was somewhat disappointed it did not include mounting and balancing, but those costs are minor compared to the cost of a tire.

Your editor has had quite the ride the last few months with health issues. As such, I haven’t quite been on the ball, either forgetting things to put in the newsletter or losing or misplacing things I received. This is not an excuse, but stated as a reason. I owe several of you apologies - which were delivered either by email (if that’s the way you communicate) or text. Fortunately, the doctors seem to be happy with both my and my chief proofreader’s health situation at the moment; let’s hope it stays that way (fingers crossed) as we have more visits for the near future.

Kathy Campbell (#116, Camping Squares of Kansas) sent me a note via US mail with her Winter ‘Lost Gator’ submission and a poem that was her entry. That note was one of the things I misplaced, thus she and her entry/poem were omitted from the Spring issue, but as I have rediscovered the note, both (poem and entry) are included in this issue. You

would think I would have recalled her entry as it was her note that triggered my thoughts expressed in this column last issue about our 1974 VW camper van. Alas, no thanks to my brain fog from the flu, it did not register. So, to set things right, here is Kathy's entry poem:

Our lost gator has a big problem:  
no page number for her current fate!  
she's on the last line of pink insert,  
by logic that's page 28!

Allie Gator will contact Susan Wolford  
for more info (when she emails or dials)  
A self-addressed crocodile envelope  
will get her a ribbon (AND Susan smiles!)

As I write this column, I am hoping we will soon be headed to my wife's family's ancestral home state, Maine (the first ancestor on her maternal side arrived in the 1600s, so they've been there a while). At this moment our departure date is still uncertain, no thanks to our doctors, who have our best interests in mind regardless of our travel plans! Therefore, in order to ensure US mail addressed to me does not get lost while being shuffled back and forth between states (since I seem to do enough of that myself lately) I request that ALL communication to yours truly be via email, sent to NSDCAtimes@gmail.com. If you don't have your own email account, another Chapter member (or family member or neighbor) might, and maybe they would allow you to send your 'Lost Gator' submission (or any other correspondence) from their account. Please make sure you are clearly identified as the person submitting the email if it is not your account to minimize my confusion. Thank you.

Speaking of the US mail, I trust you have been receiving your hard-copy of the *TIMES* in an expedient manner. It should arrive near the beginning of March, June, September or December. Ensuring our membership chair, Kathy Nickel (KathyNickelNSDCA@gmail.com) has your current mailing address significantly helps in delivery, as the post office will not forward the *TIMES* due to our use of non-profit mailing. Please remember that a current electronic copy of the *TIMES* (as discussed in the opening to this column) is posted to the NSDCA website around the time the paper copy should hit your mailbox. The on-line version is in full color, and you can magnify the page contents to make it easier to read, view the photographs or to find the lost square dance camper, whether gator, cow or RV. While you're on our Association's website, check out other information that is available, such as square dance campouts nationwide (USA and Canada), International and State Camporee information, and other Association information.

Thank you.

## NSDCA BLANKET LIABILITY INSURANCE

The NSDCA has had blanket liability insurance coverage for all its activities since August 1, 1975. We are currently buying insurance through the Lawley Vivacqua LLC Agency and are insured with the Atlantic Casualty Insurance Company.

This insurance is issued in the name of the association, all its affiliated chapters, and includes all officers and directors, of either the association or any chapter while it engages in any activity on behalf of their group. The limit of the liability is \$1,000,000.00 per incident (\$2,000,000 aggregate) for either bodily injury or property damage or both when NSDCA is negligent.

This is however **NOT accident insurance**. It covers only injury or damage caused by **accident or negligence** of the NSDCA or its chapters in the course of their activity. It will not necessarily pay for any injury that might happen. It has to happen in such a way that NSDCA would be legally held responsible for the injury. The insurance company would investigate and defend a claim resulting from any accident, but the injured party will normally not receive a settlement unless it can be proven there was negligence or fault of the chapters or association.

The policy is issued on a comprehensive liability form that covers the activities of the NSDCA or its chapters. This includes campouts, meetings, social affairs or any other type of an event, all of which are automatically insured. Specific questions should be referred to the company agent through whom the insurance is written.

The application Forms for Insurance Certificates, are available from the NSDCA at [www.nsdca.org](http://www.nsdca.org). There is no charge for the 'Proof of Insurance' certificate and it may be obtained by contacting:

Justine Schaper, Account Manager  
Lawley Vivacqua Scheff, LLC  
504 John James Audubon Parkway, Suite 302  
Amherst, NY 14228  
Email: [jschaper@lawleyinsurancer.com](mailto:jschaper@lawleyinsurancer.com)  
Phone 716-636-5820; FAX 866-211-4683

If the entity (land or building owner, municipality etc.) requires their name to be explicitly listed as an ADDITIONAL insured, there is an additional charge for each name to be added which is to be paid by the requesting chapter. The request must be made thru the NSDCA Board.

# The 67th NSDCA Camporee is Calling

Dear dancing friends, do you realize that this is a once-in-a-lifetime event for the NSDCA & NSDC? "Quite Unique!"

Never before in our history have our two events been held back-to-back with the Camporee being held at the very location of the NSD Convention camping facility. NSDC is also working with us providing us access to the campground building during their event. We are planning nightly after parties at the campground and hope to offer additional events as well, so you can come back to your camper, relax a bit and enjoy this time together even more!

## Preparing Your Towable RV for Camping Season

While the information listed below is principally for RVs that are towed (whether bumper pull or fifth wheel), many of the items presented are also applicable to motorhomes. For more details on each of the items listed below, see the website reference at the bottom of this article. The URL is a long one, so to save a bunch of typing, a Google search using the keywords “winnebago how to prepare your towable rv for camping season” yielded the article where this checklist was obtained as the first hit.

1. Inspect, Wash, and Clean the RV (including Solar Panel!)
2. Check Tires and Torque Lug Nuts
3. Test and Charge the Battery
4. Inspect the Propane System
5. Flush and Sanitize the Water System
6. Service Appliances
7. Inspect the Electrical System
8. Examine the Brakes and Bearings
9. Inspect the Hitch and Coupler

### Afterthoughts

Once upon a time, long, long ago (mid- to late-1960s), my family square danced and camped. Although the NSDCA was in existence at that time, I am unaware of any affiliation with the “Week End Warriors.” From what I recall, the group mostly camped on the Florida western coast. If anyone is familiar with this group or has any history about it, please forward it to the editor. Thank you.

I strongly suspect there are a large number of members who have modified their RVs in one fashion or another to suit their taste or to provide an amenity they felt was lacking in the original design. Please share these modification ideas with your fellow NSDCA members. A brief write-up is all that is required, and be sure to send a photo along.

Thank you.
