

Final Snooper - End of 67th Camporee Evening Events

As we close the NSDCA Camporee and slide into the NSDC, I wanted to put out my FINAL Snooper with a couple of items.

First, a picture of the Teddy Bear presentation:

Next, a picture of the elusive Chapter 000, At Large:

And finally, I hope to see everyone next year in Bellville, Texas at the 2026 Camporee.

Bye! See you dancing!
